CECIL FIELDER ELITE WORLD SERVICES SCHEDULED AT KINO SPORTS COMPLEX

The Baseball Legends LLC will host the 1st annual Cecil Fielder Elite World Series baseball tournament in July at Kino Sports Complex in Tucson. Don't miss the opportunity to watch some of the most talented youth in the U.S. and Mexico compete in these two events:

- July 1 through 5, youth age 16 and under
- July 8 through 12, youth age 14 and under

Tournament play starts at 10 a.m. daily. Admission is \$5 a day, but weekly passes are available for less at the gate. Admission for children age 13 and under is free.

Baseball legend Cecil Fielder will make scheduled appearances during the games and will be available for autographs and pictures at both events. Other retired major league stars like Kenneth Landreaux and Rudy Seanez will be coaching.

Fielder will also promote the World Series tournaments in Tucson at a news conference at 12:30 p.m. Wednesday, June 29, at the Radisson Suites Tucson, 6555 Speedway Blvd. He will discuss the benefits that his organization provides by educating and supporting the growth of athletes and helping financially with youth scholarships so young athletes have the opportunity to excel in baseball.

Youth competing in these five-day round robin tournaments include athletes from Tucson and San Luis, Ariz.; and East Cobb, Ga., and Las Vegas, Nev.; a state team from New Mexico; and three California teams from San Diego, Los Angeles and Imperial Valley. International groups from Mexicali, San Luis Rio Colorado, Ciudad Juarez, and Obregon, Mexico, will also participate. A total of 64 teams are expected this year with plans to grow this international tournament into a premier, annual event for Tucson. "Kino Sports Complex is the perfect fit, not only is it an elite tournament facility but its proximity to the border makes it ideal for teams from Mexico to compete," said Kundy Gutierrez, managing member for The Baseball Legends LLC.

Kino Sports Complex is the largest professional sports venue of its kind in Pima County. It includes the 11,000-seat Kino Veterans Memorial Stadium, 12 baseball fields (five with lights) and lighted softball and soccer fields. With its panoramic view of the Santa Catalina Mountains, it is a natural fit for youth, high school and collegiate sports. Plus, it makes a great setting for social gatherings, concerts, and community events. To learn more, go to www.kinosportscomplex.com.
